Please go ahead and authorize your private investigators locate him without any ex parte conversations other than his location.

Pursuant to the Court Order today, the consultant that drove the subject motorcycle is Mr. Preston Lind, his number is 850-255-0007. I will try to get in touch with him today to set up a deposition ASAP. Because he is considered a consultant, I do not agree to any ex parte communication.

Please let me know if anything further is needed.

Thank you,

*Mike Jr.*
